Bodil Due
Dean

In accordance with the Danish Ministry of Education's Executive Order no. 169 of 15 March 1995 concerning studies in the humanities at Danish universities, the Bachelor of Arts degree programme lasts 3 years. The programme aims to give students insight into the field(s) of study concerned, and based on the knowledge of theories and methods in the humanities thus gained should qualify students to describe, formulate, analyse and process issues either with a view to taking employment or as the basis for further study.
